Pre-Class Assignment

Java Overview

Your assignment is to watch and follow the pluralsight video, then follow the instructions for after the video.

Java Fundamentals: The Java Language

Watch section 1.0 (Course Overview) to 3.2 (Demo: Creating Your First IntelliJ Project)
By the end of the video you should:
- Have the current JRE and JDK installed on your computer
- Have IntelliJ installed
- Have created a Simple App that displays the text "Hello World Again"

https://app.pluralsight.com/library/courses/java-fundamentals-language/table-of-contents

After the Video

Put your simple app into a zip folder and turn it into LearningSuite. This will count as your quiz for this week.
